The AA Preamble

Alcoholics Anonymous is a fellowship of people who share their experience, strength and hope with each other that they may solve their common problem and help others recover from alcoholism. The only requirement for membership is a desire to stop drinking. There are no dues or fees for AA membership; we are self-supporting through our own contributions. AA is not allied with any sect, denomination, politics, organization or institution; does not wish to engage in any controversy, neither endorses nor opposes any causes. Our primary purpose is to stay sober and help other alcoholics to achieve sobriety.

“But we are not a glum lot. If newcomers could see no joy or fun in our existence, they wouldn’t want it. We absolutely insist on enjoying life.” Alcoholics Anonymous, p.132

“So we think cheerfulness and laughter make for usefulness. Outsiders are sometimes shocked when we burst into merriment over a seemingly tragic experience out of the past. But why shouldn’t we laugh? We have recovered, and have been given the power to help others.” Alcoholics Anonymous, p.132

“We are sure God wants us to be happy, joyous, and free. We cannot subscribe to the belief that this life is a vale of tears, though it once was just that for many of us. But it is clear that we made our own misery. God didn’t do it. Avoid then, the deliberate manufacture of misery, but if trouble comes, cheerfully capitalize it as an opportunity to demonstrate His omnipotence.” Alcoholics Anonymous, p.133

We make every attempt to provide accurate information and ask that our fellowship use the guidelines as defined in our “Twelve Traditions” and the AA “Preamble” when requesting inclusion in this publication. (See page 12, The AA Group, P-16). A directory listing does not constitute or imply approval or endorsement of any group’s or meeting’s approach to, or practice of, the traditional AA program. We list meetings to be the hand of AA fellowship to newcomers and as a courtesy to our community.
